BREAKIN' NEWS IN FOUNTAIN HILLS

TURN AROUND!

Get your fill of thrills this holiday season at Universal Studios! On December 28-29, the Parks and Recreation

Department is taking 40 kids, ages 11-17, on a turnaround trip. The fee is only \$80, and includes admission and transportation. Only the strong will survive! Are you up to the challenge? If you really think so, give Amy Silverman a call at 480-816-5168 for more details.

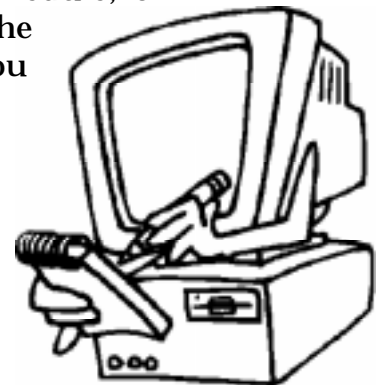

MYC Member of the Month

Mayor Sharon Morgan and the Parks and Recreation Department are proud to announce that Ellen Stutheit has been selected as the Mayor's Youth Council member for the month of November! Ellen, a senior at Fountain Hills High School, has been very active with the group since its inception. She has participated in such activities as the "Street Coyotes" event, the Family Halloween Carnival and all regular meetings of the Council. She also holds the position of Points Commissioner, as having been elected by her peers at the October 20th election. Her valued support, as well as her outstanding effort thus far, is the reason Ellen Stutheit has been chosen as the Mayor's Youth Council Member of the Month. Congratulations Ellen!

HOWL AT THE MOON!

On Tuesday, November 16, the Mayor's Youth Council traveled with the Boys and Girls Club on a wild and crazy trip to see the Phoenix Coyotes hockey game against the Calgary Flames. The tickets were compliments of the Coyotes, and were enjoyed by all that went. Many of the kids led cheers to help get the fans in the stadium fired up. The crowd around us followed our lead, and before too long, we had the whole stadium screaming "Let's-Go-Coy-Yotes"! We were even recognized and welcomed by the Coyotes on the big screen scoreboard that hangs over the ice!

The MYC is currently looking for students to join its Volunteer Group, a collection of high school students looking to complete the required amount of community service hours. Through the MYC, and the Parks and Recreation Department, student can find fun ways to complete their community service. There may even be opportunities to join the MYC on other exciting trips such as the Coyotes game! If you are interested, please call Amy Silverman at 480-816-5168 or Corey Hromek at 480-816-5152. We look forward to hearing from you!

Photography Club News

The Parks & Recreation Department's Photography Club is still looking for donations of camera and video equipment that will help get the kids off to a good start on some projects. The Club will be meeting within the next month or two to discuss its plans for the remainder of the school year. If you are interested in learning more, give Amy Silverman a call at the Parks and Recreation Department at 480-816- 5168.
